Do the Right Thing
 ... Repeal the Car Tax

Go ahead ...
 Keep the Car Tax!

When it mattered most,
 who did Marty Simonoff
 listen to???

Marty Simonoff Opposed Repealing the Car Tax!

Marty Simonoff and Gray Davis have a lot in common.

When Senator Ray Haynes and then Assemblyman Tom McClintock introduced legislation to repeal the car tax, Marty Simonoff and the Brea City Council used public resources to oppose the tax cut for working families.

Despite opposition from taxpayer groups, Marty Simonoff went ahead and worked to oppose legislation that would have saved families hundreds — even thousands — of dollars every year.

After voting to oppose a car tax cut, Marty Simonoff now wants voters to believe he is a friend of taxpayers in Orange County.

Don't be fooled. In the debate over repealing the car tax, Marty Simonoff sided with Gray Davis. On June 6th, send a message to Simonoff that we won't be fooled.

“I wrote legislation to repeal the car tax because it was the right thing to do in order to protect taxpayers. I was disappointed that liberal Marty Simonoff voted to oppose my legislation.”
