# Who Can We Trust To Be Our Next Supervisor?

## Harry SIDHU

The Orange County Grand Jury asked the Anaheim City Council to place a full time immigration officer at the Anaheim jail – to help detect illegal aliens. Liberal councilman Harry Sidhu thumbed his nose at the Grand Jury and said NO.

Sidhu sided with the A.C.L.U. – and even sent a letter to the Grand Jury saying the proposal to crack down on illegal aliens in jail might offend certain members of the community.

**Harry Sidhu – WRONG on Illegal Immigration. Wrong for us.**

## Shawn NELSON

**Fullerton City Councilman is tough on illegal immigration.**

***As our Supervisor, Nelson will:***

- ▶ Support immigration status checks at county jails.
- ▶ Stop county tax dollars from funding services for illegal aliens.
- ▶ Oppose Amnesty. Period.

**Endorsed by Tough On Illegal Alien Leaders, including U.S. Representative Ed Royce and Assemblyman Chris Norby.**
