Mimi Walters for Assembly — Qualified. Conservative.

Endorsed by Congressman Darrell Issa and Assemblywoman Pat Bates!

There's a reason local Republicans are united in support of Mimi Walters for Assembly.

She's the best candidate for the Republican Party and for all of us.

A dynamic leader on her city council, with valuable experience in business and finance, Mimi Walters will make a difference for us at the State Capitol.

That's why Pat Bates, our current Assemblywoman, strongly supports Mimi Walters to carry on her conservative approach and work on behalf of our local communities. This is also why Congressman Darrell Issa — the father of the Recall — says Mimi Walters is "a great Republican and the best candidate for the job."

A strong fiscal conservative, Mimi Walters will take a can-do attitude to Sacramento to work with Governor Schwarzenegger to turn our state around. Her agenda includes:

- ★ Stop over-spending that caused the state budget crisis
- ★ Crack down on illegal immigration at the border
- ★ Repair California's business climate by reforming workers compensation and repealing anti-business regulation
- ★ Oppose tax increases

You can sign up now to vote at home in our March 2 Presidential Primary Election. Just sign the attached card and drop it in the mail. The county will send a ballot to you at your home.

"We need more Republicans in Sacramento with the experience and ability of Councilwoman Mimi Walters."

Senator Republican Leader Jim Brulte
